Gentlemen:

Your proposal dated April 30, 1963, in amount eight thousand nine hundred forty dollars (\$8,940.00), is accepted for site clearance and paving at the U. S. Mint, Denver, Colorado.

In accordance with the provisions of the specifications and conditions you are required to execute the enclosed forms of contract, performance bond and payment bond within fifteen (15) calendar days after receipt thereof.

Three copies of the contract documents are enclosed. You may retain the one marked "Copy for Contractor." The two remaining copies are to be completely executed and returned here.

You shall also sign and return the enclosed drawing. Additional copies of the specifications and drawing are enclosed for your working purposes.

Sincerely yours,

Attention: Mr. Lyle H. Woodburn
Superintendent

Gentlemen:

Your proposal of June 15, 1963, in the amount of \$899.00, is accepted for parking lot fencing at the U. S. Mint, Denver, and notice is hereby given to proceed with the work in accordance with Drawing No. 27-2-56.

As stated in our letter of June 12, you will be allowed 14 ^{calendar} days from the date of this letter for completing the project. No work is to be started until all materials are at the site, but it shall be completed as quickly as possible thereafter for security reasons.

Please notify this office your proposed starting date.

Our Standard Form 44, Purchase Order-Invoice-Voucher, is enclosed. Upon completion of the work the original of the form should be signed where seller's name appears and forwarded to this office for payment. The blue copy is for your files.

Sincerely yours,

John F. Furdum
